2. In view of security factors involved in making deposits for past service, it will be necessary for individuals to postpone attempts to make such deposits until they return to this country. No rights will be prejudiced by such postponement, and, in certain cases, there would be no benefit to the individual to make deposits for past service at this time. When the individuals return to this country, inquiries concerning retirement and deposits to cover past service should be directed to the Chief, Personnel Division, OSO.
